Payne's Premium Garden Soil

\$109

This mixture combines Payne's Premium Compost, Sandy loam topsoil, and Pumice (volcanic ash rich in silica). This rich soil is designed to fill raised beds, large containers, fill voids and build layers in the landscape. Payne's Garden Soil is ready for planting, but best with a light addition of fertilizer to the top inch or two.

Payne's Premium Compost

\$94

Not made with biosolids (sludge) and laboratory tested for herbicide residues.

Made in Santa Fe, by Santa Feans for Santa Fe! High-purity compost screened to 1/2". Composted for a minimum of 12 months. Made from green waste, food scraps, and other select feed-stocks.
